

2019 Destination: Chavies, Kentucky
June 23 - June 29
July 7 - July 13

What the ASP week consists of:

ASP is a mission experience devoted to personal growth through teams working to make homes warmer, safer, and drier in Central Appalachia. Your week includes:

- Lodging
- Breakfast, lunch, and dinner each day
- Construction materials, tools, and project supplies, and delivery to worksites
- Project selection and screening, and matching to group skill level
- Customized evening programming and entertainment
- ASP staff to coordinate construction projects and lead Evening Gatherings
